# Jorge Morales obtiene resultados- para nuestros hijos, y nuestras familias.

Jorge Morales ha trabajado para el gobierno estatal y local por más que una década. Ha servido como administrador de ciudad para las áreas que no están incorporados de Valinda, South San Gabriel y Rowland Heights. Su experiencia, liderazgo y visión, califican únicamente a Morales para servir en el Consejo de la Ciudad.

Morales was recently honored by Supervisor Gloria Molina for his success in fighting crime in LA County. As our Councilmember, Morales will use this expertise to rid our streets of crime, and bring innovative gang and graffiti abatement programs to our community.

✓ **Morales is endorsed by the South Gate Police Officers Association.**

Since his days growing up in South Gate with asthma, Morales hasn't forgotten how deadly polluted air is for a child. As a Councilmember, Morales won't be afraid to stand up to toxic polluters to improve our air quality and clean up our open spaces.
